

ORGANISTS, PIANISTS, MUSICIANS of all TYPES,

Ay-Laung Wang

*will be featured on the new Linux Powered
VISCOUNT PHYSIS 500 ORGAN'S First North American
PREMIER CONCERT DEBUT!*

Ms. Wang is well known and highly respected in British Columbia and Internationally for her concertizing on organ and piano. Her superb musicianship and personal charm make her a favorite with audiences. The concert will include a cross section of music from hymnary with audience participation and contemporary choruses through to classics.

Mr. Marcus Goddard, a renown trumpeter, will accompany Ay-Laung on several numbers. Mr. Goddard is assistant Principal for the Vancouver Symphony.

Meet Ms. Ay-Laung Wang

*at her "Organ Seminar for Pianists" from 1 to 3 pm Concert Day!
Improve your Familiarity with the "King of Instruments"! This Seminar is supplied free by Viscount, but pre-registration required to confirm material needs.
Contact: Roy Hepworth, (800) 668-4177 to Register.*

The Organ

is the new VISCOUNT PHYSIS 500

This is its First North American Public Concert and Showing

- ⇒ *The 1st and only organ using Physical Modeling to create organ sound.*
- ⇒ *You will hear this instrument "breathe" like a pipe organ.*
- ⇒ *You will hear it deliver sounds in "dimensional tonal shapes" like the chests of a pipe organ.*
- ⇒ *You will thrill to the Orchestral sounds addition to its beautiful organ sounds.*
- ⇒ *You will love its total customizing ease to your tastes with its over 500 resident organ voices.*

7 pm Monday, December 14, 2009

South Abbotsford MB Church, 32424 Huntington Road, Abbotsford

Concert Cost: *By Donation with 100% of Concert Donations going to the Abbotsford Women's Resource Society for food, shelter, etc. for women living on the streets*
